organized by

Centre of Excellence in Cyber Security

in association with

Cyber WallNet Pvt. Ltd.

Date: *7th December 2026 to 2nd January 2027*

(Evening - Online mode)

CoE in Cyber Security:

Centre of Excellence in Cyber Security, JNTUH University has been established with an objective of providing training for the faculty & students, to facilitate Research & Innovation by identifying the skill gaps in the field of Cyber Security and Forensics.

Internship Benefits:

1. **Internship Project Guidance with industry mentors.**
2. **Top performers - up to 15 students are given below opportunity:**
   They will receive one-year full access to the CyberWalnet platform, valued at Rs. 7,999/- per student. This will include access to premium cybersecurity courses, helping students further develop both offensive and defensive Cybersecurity skills through structured learning, hands -on labs and practical exercises.
3. **Top performers - up to 25 students are given below opportunity:**
   They will be offered **a 3-month internship opportunity** with CyberWalNet, focused on hands-on live project work and **practical cybersecurity exposure**. Please note that this internship will be unpaid and will not include a stipend.
4. **Top '3' projects** shall be appreciated with **"MERIT CERTIFICATES".**
5. These internships projects will be exhibited in**" project Expo"** at CoE in Cyber Security, JNTUH on last day of the program.
