## BACK GROUND

**Centre for Pharmaceutical Sciences, IST, JNTUH**  
**Jawaharlal Nehru Technological University, Hyderabad** was established on 2<sup>nd</sup> October, 1972 with the objective of strengthening and improving the standards of technological education. The University is located in the heart of the city at Kukatpally, Hyderabad. The Centre for Pharmaceutical Sciences was established in 2007 at Institute of Science and Technology by introducing M. Pharmacy Course with the specialization of Pharmaceutical Analysis and Quality Assurance, Pharmaceutics and Pharmacognosy have been added to the crown of M. Pharmacy. The faculty members are highly qualified, well experienced who are always engaged in teaching and research by working on the sophisticated instruments like HPLC, GC, FTIR, HPTLC, ZETA SIZER, Auto Analyzer, Elisa plate reader and other allied equipments. Active research is going on currently in the fields of Pharmaceutical sciences. The centre has received several grants from funding agencies viz., UDF, UGC, AICTE, DST-FIST and DST-SERB over Rs. 300 lakhs.

## DST-SERB

The Science and Engineering Research Board (SERB) is a statutory body established through an Act of Parliament, 2008. The mandate is to support basic research in emerging areas of Science & Engineering with these objectives:

1. Serve as a premier agency for planning, promoting and funding
2. Identify major inter-disciplinary research areas, and individuals, funding them for undertaking research.
3. Assist in setting up infrastructure and environment for scientific pursuit.
4. Provides synergy between academic institutions, R&D laboratories and industry for promoting basic research
5. Evolve a system of approach to expeditiously provide funding for research.
