

# A Workshop on “Connect Engineers to MEP INDUSTRY”

(Mechanical, Electrical & Plumbing Workshop)

Organized in Commemoration of Engineers Day

## Objective of the Workshop:

1. The intention of the Workshop is to disseminate awareness about MEP domain and thereby enable the MEP industry to attract the best talent amongst the Engineering students.
2. Establish a “Connect between MEP Industry and Engineering Academia” to create opportunities for undertaking MEP Industry visits, Site visits, Guest lectures, MEP Core companies conducting campus interviews resulting in Placements.
3. Create a platform for the MEP Industry to give access for Engineering Students to take up internships and placements.
4. Introduce “MEP Industry associated Societies” striving to bring in new talent into the MEP industry by connecting Young engineers through Student Chapters and educate them about career opportunities in MEP Industry.

## Agenda Details:

1. Bridging the Gap Between Education System and MEP Industry.
2. Opportunities available in MEP Industry, Expectation from the Industry and How to enter into this Industry
3. How to connect Education System with MEP Industry.
4. Participating Societies.
  - i. **ASHRAE** Deccan Chapter [www.ashrae.org](http://www.ashrae.org)  
(American Society of Heating, Refrigerating and Air-Conditioning Engineers)
  - ii. **IPA** Hyderabad Chapter [www.indianplumbing.org](http://www.indianplumbing.org)  
(Indian Plumbing Association)
  - iii. **FSAI** Hyderabad Chapter [www.fsai.in](http://www.fsai.in)  
(Fire & Security Association Of India)
  - iv. **ISLE** Hyderabad [www.isleind.org](http://www.isleind.org)  
(Indian Society of Lighting Engineers)

## Who should Attend?

Principals, TPOs, HOD's, Faculties of Mechanical, Electrical and Civil Engineering Departments.

## Venue:

UGC-HRDC Auditorium, JNTUH Campus, Kukatpally, Hyderabad

**Date: 15.09.2018 Time: 10.00 am 4 pm**

**FREE  
REGISTRATION**

**For Registration**
