I. ADMISSION INFORMATION

1. GENERAL

1. Integrated Double Degree Masters Program (IDDMP) is designed for the advantage of Student Community through which students can acquire both B. Tech. & M. Tech degrees from JNTUH and M. Sc degree from Blekinge Institute of Technology, Sweden in FIVE years. This IDDMP degree is recognized in India through JNTUH and in Europe through Blekinge Institute of Technology, Sweden and globally through JNTUH and BTH. This special arrangement increases the face value of the degree and makes it free from local recognition hurdles which students usually face at the time of employment or Ph.D. Studies in India after pursuing studies in Foreign Universities. This program protects the future of the students in a better way both in India and abroad.

2. Applications for admission into Integrated B. Tech & M. Tech / M. Sc – Computer Science & Engineering/ Software Engineering/ Telecommunications Systems under IDDMP will be processed by JNT University Hyderabad in association with Blekinge Institute of Technology, Sweden.
3. There will be no provision for students to discontinue the studies in the middle of the program and claim alternative degree.
4. All Admissions are purely provisional and the University reserves the right to cancel the admission at any stage.

Note : Course will be offered only when the number of candidates taking admission are more than 50% of total intake in each specialization.
