Dear Sir/Madam,

Sub: Submission of the survey using NTF Mental health website through AISHE portal login – Reg.

Ref: Memo No. 651/MC/2025 dated 10-12-2025, Govt. of Telangana, Higher Education Dept.

Vide ref. cited above, all the Principals of the constituent and affiliated colleges under JNTUH are requested to complete the NTF mental health survey using AISHE login credentials within two days.

All the institutions must ensure the mental wellbeing of the students at their respective Institutions, this will in turn help the students to reduce the cases of attempts to suicides. The institutions must establish the necessary counselling systems to meet the above requirement. Every institute is required to maintain data / information with regard to existing mechanisms /initiatives taken for the student mental well-being, information related to counselling system, number of counselors and outcomes of such initiatives. These initiatives are very essential to ensure no suicides / attempt to suicides happen in the college / hostel premises.

Further the Principals are requested to 1) keep the data about the students admitted under various reservation categories, 2) submit the data as and when the NTF team visits the institute and 3) permit the students of deprived categories interact with the NTF team without any barriers.

All the institutions are requested to appoint a senior person (either faculty or an administrative employee) as a nodal officer with whom NTF can contact or conduct the field visits.

Every institute must ensure /provide data to NTF as and when requested:

- 1) Existing or ongoing initiatives for student mental health and suicide prevention.

- 2) Nature of the initiatives, methods of implementation and goals
- 3) Launch year
- 4) Finding the sources and funding amount
- 5) Any outcome evaluation being carried out.

The cooperation of the Principals is highly solicited.

Thanking you

Yours Sincerely
