Sub:- Mandatory activity proposed to be covered under MoU between AICTE and Technical Universities.

Mandatory conditions to be followed while conducting program.

Sir,

The National Education Policy 2020 has been launched by the Hon'ble Education Ministry of Govt. of India in 2020.

It is felt necessary to highlight the finer components of this NEP to all sections of people connected with the educational institutes to draw maximum benefits being envisaged in this proposed new system of education. For its effective implementation, AICTE proposes that every training program supported with AICTE grants must mandatorily conduct atleast one session dedicated to imparting knowledge about NEP 2020 to the participating dignitaries.

All Technical Universities are requested to comply the above directions.

Yours sincerely,

(Col B Venkat)
Director (FDC)
