

AI&ML ONLINE COURSE

- Ours is the first batch of AI&ML (online) certificate course. The timings selected for online classes are very convenient for employees & teaching community. The syllabus framed is as per the needs of the S/W industry.
- The online classes are of high quality . All the sessions are interactive . We are thankful to SCDE, JNTUH authorities for having chosen the eminent faculty from premier Institutes.
- Our Interest in attending the sessions doubled by the teaching methodologies followed by the faculty & the ways of resolving our doubts/questions . The video links of the previous day's sessions are very useful to revise& explore the subject. The online hands-on sessions are being conducted in Python , Machine Learning and Natural Language Processing(NLP) are highly **remarkable.**
- I am grateful to SCDE, JNTUH in fulfilling my objective of Learning &Exploring the Artificial Intelligence& Machine learning technologies
- Only suggestion is to conduct offline lab sessions for a week at the end of the every module.
