Sir / Madam,

Sub: TE-Academic-II-Transfer of Students from one Private Engineering/  
Pharmacy/MBA/MCA/Architecture College to another Private college within  
Telangana State for the Academic Year 2026 - 27- Notification Issued -  
Reg.

Ref: 1. G.O.Ms.No.32, Higher Education (TE) Dept, dt:22.8.2022  
2. G.O.Ms.No.43, Higher Education (TE) Dept,Dt:29.10.2022

\*\*\*\*

In the Government Orders 1<sup>st</sup> & 2<sup>nd</sup>cited, the Government have delegated certain powers to the Commissioner of Technical Education, Telangana and issued certain guidelines to effect the student transfers from one Private Engineering/ Pharmacy/MBA/MCA/Architecture college to another Private college within Telangana State.

**Conditions for student transfers:**

1. The students can be transferred from one Private Engineering/Pharmacy/ MBA/MCA/Architecture college to another private college which are affiliated to the Public Universities within Telangana at II, III and IV year level subject to availability of unfilled/vacant seats.
2. Both transferor (from Institution) & transferee (to Institution) institutions should issue concerned No Objection Certificate (NOC).
3. The management of the institutions concerned shall make sure that there is no fee due on part of the student before issuing the NOC. On approval of transfer of the candidate by the Commissioner of Technical Education, Telangana, the management of the transferring Institution shall return all the original certificates of the candidates concerned, along with the transfer certificate without any delay.

4. The transfer must be in the same branch of Engineering, in which the student was studying in the institution from where the transfer is sought, subject to availability of the unfilled/vacant seats. In any case after effecting the transfers, the total strength of each branch should not be more than the sanctioned intake capacity of the branch as prescribed by AICTE/PCI/COA and affiliating university.
5. For all student transfers, except for the transfers from one Private non-autonomous College to another Private non-autonomous College both affiliated to the same Public University in the State, the Registrar of the University to which the transferee Institution is affiliated, must provide information regarding the number of credits that can be transferred and the equivalence of core subjects that the student must study.
6. There should be a valid reason for transfer such as medical grounds/Parents transfer(Govt. employees only)/Closure of the Institution or course etc.
7. Students who are admitted under Convener Quota can be transferred to either Convener or Management Quota. But those who are admitted under Management Quota can only be transferred to Management Quota. However those who are transferred to management quota are not eligible for fee reimbursement and scholarships provided by the state government.

Further, the student transfers shall be effected through an online software application. A User Guide for the same is available in the website for student transfers (URL is given below), wherein step-by-step instructions are provided to the students and Principals concerned for submission and processing the student transfer applications.

Hence, the Registrars of the Universities (as per the address entry) are requested to communicate the following schedule and instruct the Principals of their affiliated institutions to follow the schedule scrupulously.

Date of commencement of submission of student transfer applications(online mode only)	<b>12.05.2026</b>
Last date for submission of student transfer application	<b>30.06.2026 or Before commencement of class work(whichever is earlier)</b>
URL for submission of transfer application by student	<b><u><a href="https://sites.google.com/view/student-transfer/home">https://sites.google.com/view/student-transfer/home</a></u></b>

#### **Important Instructions:**

1. The students and the concerned Principals are requested to go through the user guide and the conditions laid down in this notification thoroughly before processing the student transfers.
2. The students who wish to apply for transfers should enter the official e-mail ID of the Transferor Institution (From College) and they can login through OTP sent to the mail. Hence the Principals of the Transferor Institutions

(From Colleges) should provide the official mail ID & OTPs received to the genuine candidates.

3. Further the Principals/Management are hereby instructed not to issue NOCs to the candidates if there is no clear vacancy, otherwise appropriate action will be initiated against them.
4. Once the transfer of a student is approved by the Commissioner of Technical Education, Telangana, the student & concerned Principals can download the Proceeding copy from the department website <https://dte.telangana.gov.in/>
5. For any queries, contact through e-mail: [ads.dtets@gmail.com](mailto:ads.dtets@gmail.com)

Therefore, the Registrars of the Public Universities are requested to instruct the Principals of their affiliated colleges to guide the students, who are seeking transfer from one Private college to another Private college, through online student transfer process.

Further, the Registrars of the Public Universities are hereby requested to instruct the Principals of their affiliated colleges to effect the student transfers only after receiving the transfer proceedings from the competent authority as the aspirant students are facing much hardships by shifting themselves to the new colleges without CTE/Government Orders.

Yours faithfully,

Sd/- A. Sridevasena  
Commissioner
