About University Health Centre:

The University has provided a well sophisticated Health Centre building headed by a full-time doctor working on deputation from the Government Service and supported by a Pharmacist and staff to cater the medical needs of the students and employees of University.

The centre also has visiting doctors available on two days of a week (Gynecologist, Dentist, Psychologist, Ayurvedic, Homeopathic, Physiotherapist) The Health centre has 4 General Wards, 7 Consultation rooms and a 6-bedded facility, an ambulance is also available round the clock to shift to nearby hospitals in case of emergency. The Health Centre also had tie up with 35 superspeciality hospitals on reimbursement basis.

"The counseling center is established in university to cater the needs of students to have good mental health, Career guidance, depression, anxiety and relationship issues will also be taken care to make the students better to progress in studies."

About TEQIP-III

One of the TEQIP-III Project Development Objective is: "To improve quality and equity in selected engineering education institutions and to increase the effectiveness of the engineering education system."

About the Awareness Conference:

The team of University Health Centre proposed to organize Two-day National awareness conference on "Exploring the Potential in Self to Build Better Future" for women and SC/ST category faculty and students on **17th & 18th September 2019** with the help of TEQIP-III, JNTUH.

Growth never stops. With a life full of possibilities, you have the potential to keep building on your progress and laying the foundation for your best self. Even if you've already achieved some of your goals, you can always do more and be better.

This program will build a better future for faculty and students by providing training and interaction with highly qualified, efficient and experienced Doctors and Psychologists from University Health Centre.

Eligibility & Registration

- All the Faculty members and students of affiliated Engineering, Pharmacy colleges and Constituent colleges of JNTUH are eligible to attend.
