

Workshop

on

Seismic Design and Detailing of Reinforced Concrete Buildings

(SDDRCB - 2017)

09<sup>th</sup> December, 2017

**Registration Form**

Name:

Designation:

Organisation:

Mailing Address:

Phone No:

E-mail:

I would like to participate in the Workshop and I am herewith enclosing crossed Demand Draft drawn in favour of “**Organising Secretary, SDDRCB-2017**” payable at Hyderabad; for an amount of Rs.1000+18% GST (Rupees One Thousand One Hundred and Eighty Only).

Declaration: All the information furnished above is true to the best of my knowledge.

Date:

Signature

**Chief Patron**

**Dr A.Venugopal Reddy**

Vice-Chancellor, JNT University Hyderabad

**Patron**

**Prof. N. Yadaiah,**

Registrar, JNTU Hyderabad

**Chairman**

**Prof. K.M.Lakshmana Rao,**

Director, BICS, JNTU Hyderabad

**Technical Advisor**

**Dr N.V.Ramana Rao**

Director, NIT Warangal

**Organising Committee**

Dr K.Rama Mohana Rao, JNTUH CE Hyderabad

Dr K.Manjula Vani, JNTUH CE Hyderabad

Dr. P.Srinivasa Rao, JNTUH CE Hyderabad

Dr. B.Dean Kumar, JNTUH CE Hyderabad

Smt.A.Krishna Niveditha, JNTUH CE Hyderabad

Smt.P.Srilakshmi, JNTUH CE Hyderabad

Dr B.Siva Konda Reddy, JNTUH CE Hyderabad

**Organizing Secretary**

**Dr. Maganti Janardhana,** Professor, JNTU Hyderabad.

**Address for Correspondence:**

**Dr Maganti Janardhana,** Organising Secretary

Professor of Civil Engineering &

Coordinator, BICS

JNTU Hyderabad, Kukatpally, Hyderabad -500 085

Email: prof.jmaganti@gmail.com; jmaganti@jntuh.ac.in

### About the Workshop

The Workshop on “Seismic Design and Detailing of Reinforced Concrete Buildings (SDDRCB-2017)” is a platform provided for teachers, researchers, and practicing Civil engineers. There has been a tremendous spurt in recent times in infrastructure growth in India. Present trends suggest that the Structural Engineers should be able to design and detail the Reinforced Concrete Buildings as per the Bureau of Indian Standards. It is a matter of concern that some of the present Civil Engineering graduates are not aware of the provisions of recently revised IS 1893 (Part1):2016 and IS 13920:2016. The graduate and post-graduate students, teachers and consultants should have thorough knowledge of “Seismic Design and Detailing of Reinforced Concrete (RC) Buildings” to impart ‘Ductility through prudent detailing of reinforcement’ to the buildings. The Bureau of Industrial Consultancy Services (BICS), JNTU Hyderabad, invites teachers, researchers, and practicing Civil engineers to participate in the workshop. Seismic Design and Detailing of RC Buildings as per the IS 1893 (Part1):2016 and IS 13920:2016 will be discussed by the following speakers:

**1) Dr A.Meher Prasad**

Professor, IIT Madras, Chennai

**2) Dr A.R.Santhakumar,**

Formerly Dean, Anna University, Chennai &  
Formerly Emeritus Professor, IIT Madras, Chennai.

**3) Dr R.Shiv Shanker**

Senior Engineering Manager, Larsen & Toubro, Chennai

### Sponsorship

Government and private agencies and other well-wishers are requested to sponsor the workshop. The names of the sponsors will be displayed on the banners at the conference venue. Sponsorship categories include:

**Sponsor** : ₹ 25,000/- + 18%GST

**(5 Persons can participate)**

**Co-sponsor** : ₹ 15,000/- + 18%GST

**(3 Persons can participate)**

### REGISTRATION FEE

Participants ₹ 1000/- +18%GST (GST No : 36AAALJ0369B1ZH)

**Note:** No TA/DA will be paid to the participants. Participants have to make their own arrangements for their travel and accommodation.

# WORKSHOP ON SEISMIC DESIGN AND DETAILING OF REINFORCED CONCRETE BUILDINGS

**(SDDRCB - 2017)**

**09<sup>th</sup> December, 2017**

*Venue*  
**UGC HRD Auditorium**

**Organized by**

**Bureau of Industrial Consultancy Services (BICS)  
Jawaharlal Nehru Technological University Hyderabad,  
Kukatpally, Hyderabad – 500 085**

**&**

**Department of Civil Engineering  
JNTUH College of Engineering  
Kukatpally, Hyderabad – 500 085**
