Director of Evaluation**

*Dear Colleagues,*

*“The impact of the Covid-19 pandemic continues to affect the scheduling of examinations in the current academic year 2020-21 as well. It has been a highly challenging time to conduct exams on different dates and declare results as quickly as possible to meet the aspirations of students who wish to study at foreign universities. We have made efforts to fulfil these aspirations.*

*The functionality of the online portal for student services has been enhanced to allow candidates residing in foreign countries to apply for transcripts/certificates and have them delivered to their doorsteps through a courier service. This service has also been extended to sending students' testimonials to WES in Canada and the USA.*

*The Examination Branch has played a significant role in receiving University orders to conduct computer-based tests (CBT) for improving internal marks. Similarly, with the support of the University library and the R&D directorate, the Examination Branch has played a significant role in developing a procedure for improving the softcopy uploads of PhD theses to the Shodh Ganga project of the Ministry of Human Resource Development (MHRD)”.*

**--Dr. V.Kamakshi Prasad  
Director of Evaluation**
