**From the Desk of  
Director of Evaluation**

*Dear Colleagues,*

*“My warmest greetings for the 2021–2022 newsletter. JNTUH Examination Branch is dedicated to follow the standards of evaluation and plays an important role in the University. Examination Branch provides a transparent system that fairly evaluates the student's academic knowledge and skills. We strive to ensure that our exams are aligned with the Academic Calendar and Curriculum. With the Utilization of Information Technology Evaluation process is speeded up in Blended Mode (Thin-Clients as well as Onscreen Valuation) by involving large number of Evaluators from every affiliated Institution. We also strive to make sure that the grading procedure is uniform and that the students receive their certificates on time we maintain the greatest levels of security and privacy. Examinations Branch is committed to provide a supportive and easy accessible system to the students that promote academic success. We strongly advise students to get in touch with us if they have any questions or concerns about the examination procedure, either online or offline through the student portal. Finally, we want to emphasize the significance of academic integrity to all students. All of our students are expected to follow the rules and regulations of the Exam Branch, and we will respond appropriately to any violations. We appreciate your help and support and look forward to another prosperous academic year.”*

**--Dr. M. Chandra Mohan  
Director of Evaluation**

## 1. Introduction

The conduct of examinations, declaration of results and issuing of certificates are the important activities of the University. The Examination Branch is the backbone of the JNTUH. It is of paramount importance that the examinations are conducted timely in a fair manner. In order to achieve this, all rules and procedures related to the examinations should be so well delineated as to leave nothing to chance and assumption.

The present Examination system aims at guiding the effective, efficient and lawful conduct of University examinations comprising, Under Graduate (UG) and Post Graduate (PG) and Doctor of Philosophy (Ph.D.) programmes. It also defines the roles, responsibilities of the people involved, protocols, procedures to be followed and various steps that have to be taken at all the levels associated with the conduct of the examinations in the University. All the Forms/Proforma for use in the examination system and documentation have been drawn out in standardized formats. Measures to curb unfair means and malpractices have also been listed along with the penalty and punishments.

### Vision

Evolve as a futuristic Examination system to ensure critical evaluation of large number of students with precision and integrity to gain public credibility and esteem

### Mission

1. Providing quick and accurate online services for students through Exam portal.
2. Identifying experienced subject experts for setting of question papers to evaluate higher order thinking skills of students.
3. Conduct the examinations as per the University norms to leave nothing to chance and assumption.
4. Complete the Evaluation and publish results in time according to the Time line.
5. Address students, college's queries and grievances immediately.

### 2.3 Allotment of Exam Centers for students

Students are jumbled cluster wise and mapped to host colleges for writing University Semester End Examinations without an undue advantage. Cluster based Jumbling Process is done with automation using In/house developed Software. In this Academic Year, 801049 students appeared for UG Examinations in 410 host centers monitored by approximately 430 observers from cluster colleges and more than 130 special observers from University. In this Academic Year, 42993 students appeared for PG Examinations in 230 host centers monitored by approximately 250 observers from cluster colleges and more than 170 special observers from University.

### 2.4 Question Papers

Examination branch conducted exams for the following courses.

UG – B.Tech/ B.Pharm / MoU Courses - 7842

PG – M.Tech/ MCA/ MBA/M.Pharm/ Pharm.D/ Pharm.D(PB) - 4071

Pre. Ph.D - 170

For all the above courses 12083 question papers were obtained from premier institution faculty members and the question papers are moderated by university subject experts.
