January 2021- March

UGC-Human Resource Development Centre JNTUH

VISION

To *enhance* the quality of **teaching**, *stimulate* **research** and scholarly activities by *facilitating* an enriched academic **environment** integrated with instructional **technologies**.

MISSION

- Continually **support** and **empower** faculty particularly in Technical Education to keep them abreast in **discipline** and **profession**.
- Facilitate **holistic development** of faculty and contribute to individual, institutional and Community Development Through a variety of **programs** and **resources**
- To **anticipate** and **respond** to the changing needs of faculty development in consonance with the recommendations of the UGC and align with the University's mission to support **lifelong learning** for enhancing Quality of Education.

The UGC Human Resource Development Centre of JNTUH has been supporting current digital pedagogies and organizing several programmes through online even during this pandemic period. Preparing a proficient generation of teachers in Higher Education is possible only through a systematic and well planned in-service teacher training, by equipping them with the latest advancements in the education, curriculum, pedagogical strategies and technology along with the values and integrity.

The HRDC of JNTUH is giving special emphasis on the above to train the faculty members of Higher Education for their professional development.

--- Sri Jayesh Ranjan, IAS

Hon'ble In-Charge Vice-Chancellor, JNTUH

Dear Colleagues,

Greetings! The UGC – Human Resource Development Centre, JNTUH is delighted to release its newsletter. The academic year 2020-21 has been going with great zeal and enthusiasm. To create high quality human resources and to adopt innovative approaches in Higher Education, the HRDC of JNTUH has been organizing several programs viz. Orientation Programmes, Faculty Induction Programme, Refresher Courses, Short Term Courses, Workshops, Faculty Development Programmes for the members of the Faculty. We have received approval for 38 courses from University Grants Commission for the year 2020-21, out of which 11 courses have been conducted successfully from January to March 2021.

As per the MoU between AICTE, New Delhi and JNTUH to conduct Joint Short Term Training Programmes, the University has successfully conducted 11 programmes for the year 2019-20 and sent proposals for 25 programmes to AICTE, New Delhi to conduct during the year 2020-21.

The HRDC also conducted 1 day Webinar on NAAC Assessment And Accreditation Process. With this Newsletter, I am pleased to report the detailed activities of UGC-HRDC from January to March 2021.

Computer Lab was upgraded with networking facility for 30 systems to provide hands-on sessions to the participants to enhance the practical knowledge. Online system was initiated and incorporated for participant registrations, payment of registration fee and to take feedback about the sessions delivered from the academic year 2020-21.

UGC-HRDC, JNTUH organising UGC sanctioned (diversified) programmes, AICTE sponsored programmes, TEQIP sponsored programmes, Outreach Programmes and other Self-Financing programmes. We successfully conducted 11 programmes during January 2021 to March 2021.

- A Total number of 724 faculty members participated in the courses from all over the Country January 2021 to March 2021.
- To explore the online Open Educational Resources and other Digital tools for creating active learning environment, the UGC-HRDC, JNTUH has initiated Online programmes to train the faculty members of Engineering and Degree Colleges all over India since April 2020
- Incorporated Interactive Teaching Learning Methods like Project Based Learning, Case Studies Based Learning, Interactive Game Based Learning, Group Discussions, Yoga practical sessions, Universal Human Values Sessions etc., in all the courses
- Automation was initiated for participant registrations, payment of registration fee, assignment submission etc.
- Online Feedback system has been implemented for each and every session on daily basis to evaluate Resource Persons and the Programmes.
- Implemented Management Information System for Centralized Data Management, **Online Participant Registration** with **Online Payment** Integration, Integrated online Assignment, Feedback, Assessment submission, Attendance Tracking, Automatic Certificate Eligibility Processing / Review, Certificate generation along with Participant **Photo** and **QR Code**, Controlled User Access Management for participants, HRDC Staff, Program coordinators, Assignment Reviewers and all other stake holders of HRDC.

UGC-HRDC, STAFF

Online Short Term Course on “Effective Academic Administration”

A Five Days online Short Term Course on “Effective Academic Administration” was held from 04-01-2021 to 08-01-2021. A total of 30 participants registered from the Non Teaching staff of JNTUH, Hyderabad, from the state of Telangana.

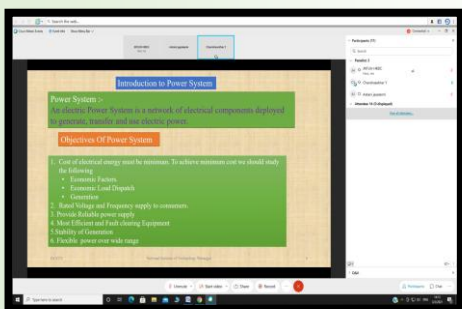

Major Course Contents:

- Noting & Drafting Skills
- Accounting, Budget and Legal matters
- Record maintenance in the advent of RTI Act 2005
- Computer Skills
- Communication Skills and Etiquettes

Dr. G.K. Viswanadh, Professor of Civil Engineering & Director, UGC-HRDC, JNTUH delivered session on University Structure and Functionalities.

Sri K. Prabhakar Dy. Director (Retd.) Social Welfare Department, T.S. delivered session on RTI Act 2005.

Sri M. Sankaraiah Retd. Audit Officer, Hyderabad delivered session on Pension Calculation, Leave Rules.

Session delivered by Sri K. Prabhakar Dy. Director (Retd.) Social Welfare Department, T.S. delivered session on RTI Act 2005.

One-Week Online Short Term Course on “Nanomaterial Characterization Techniques”

A one-week online Short Term Course on “Nanomaterial Characterization Techniques” was organized from 04-01-2021 to 09-01-2021. A total of 39 participants registered teaching faculty members from different states of Maharashtra, Karnataka & Telangana state, Kerala, Haryana, Tamil Nadu, Andhra Pradesh, West Bengal, Gujarat, Nagpur, Assam and Bhubaneswar attended the course from The faculty members from all branches of Engineering, Biotechnology, Chemistry, Physics, Pharmacy and Material Sciences, working in Universities and Colleges.

Address by Dr. K. Venkateswara Rao Professor, Centre for Nano Science & Technology (CNST) IST, JNTUH, Hyderabad

The main content of the course such as:

- Synthesis of Nanomaterials
- Characterization of nanomaterials
- Applications of nanomaterials

Dr. Shourya Dutta Gupta, IIT Hyderabad delivered the session on Spectroscopy Techniques for material characterization. (UV, FTIR, RAMAN)

January 2021..

Online Short Term Course on “Effective Academic Administration”

Coordinator
Dr. G.K. Viswanadh
Professor of Civil Engg & Director
UGC-HRDC, JNTUH

One-Week Online Short Term Course on “Nanomaterial Characterization Techniques”

Coordinator
Dr. K. Venkateswara Rao
Professor, Centre for Nano Science & Technology (CNST) IST, JNTUH, Hyderabad

January 2021..

One Week Online Short Term Course on “Data Warehousing & Data Mining”

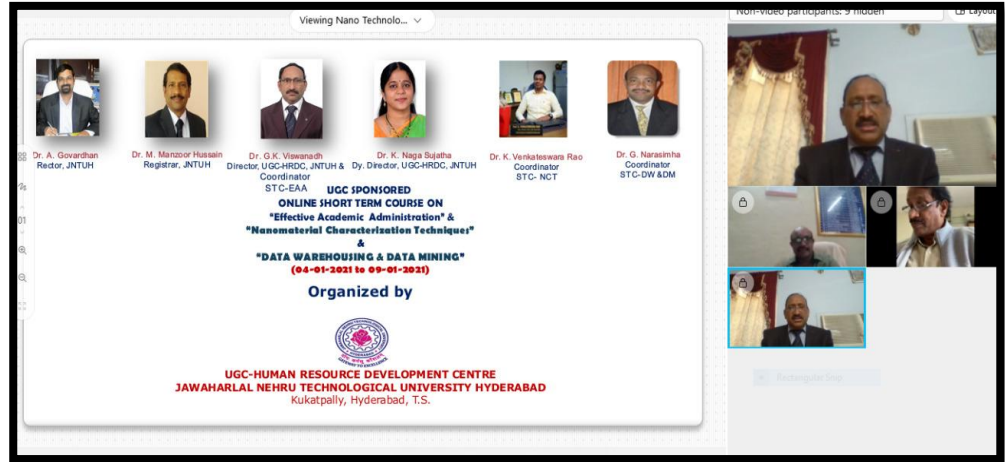

Coordinator

Dr. G. Narasimha

Professor, Dept. of CSE JNTUH
College of Engineering
Hyderabad Kukatpally,
Hyderabad, T.S.

UGC-Human Resource Development Centre, JNTUH

One Week Online Short Term Courses “Effective Academic Administration”, “Nanomaterial Characterization Techniques” and “Data Warehousing & Data Mining” courses Inaugural Session

One Week Online Short Term Course on “Data Warehousing & Data Mining”

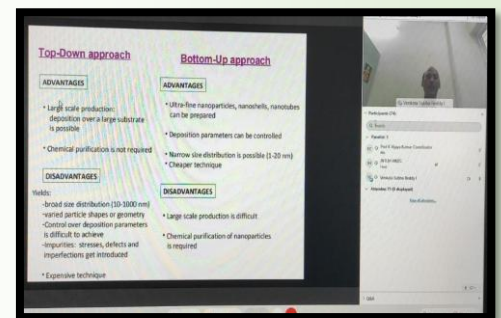

A one week online Short Term Course On “Data Warehousing & Data Mining” was organized from 04-01-2021 to 09-01-2021. A total of 51 participants registered from states of Telangana, Karnataka and Andhra Pradesh attended the programme. The faculty members from the departments of CSE, IT and related disciplines working in Universities and Colleges.

STC- Data Warehousing & Data Mining Course addressed by Dr. G. Narsimha, Professor, Dept. of CSE, JNTUH

Major Course Contents:

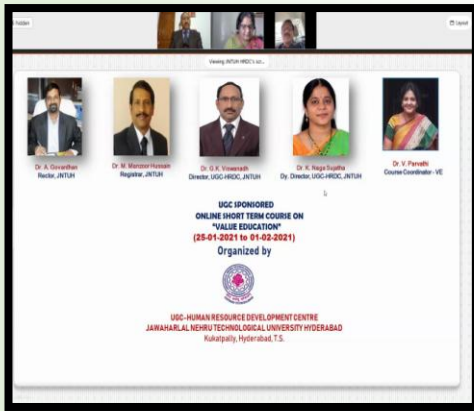

- DBMS Vs Data Warehousing ETL Process
- Multi Dimensional Data Model (Schemas)
- Data Pre-Processing
- Knowledge Discovery from Databases (KDD)
- Introduction to Data Mining
- Association Rule Mining
- Classification and Prediction

- Clustering
- Knowledge Presentation using Python Plots
- Supervised, Unsupervised and Reinforcement Machine Learning

One Week Online Short Term Course on “Value Education”

A one week online Short Term Course On “Value Education” from 25-01-2021 to 01-02-2021. The faculty members from all branches of Engineering, Sciences, Arts, Commerce and Management, working in Universities and Colleges. A total of 55 participants registered from the States of Telangana, Maharashtra, Karnataka, Kerala, Delhi, Tamil Nadu and Uttar Pradesh attended the programme.

STC- Value Education course Inaugural Function

Major Course Contents:

- Values and Self Development, Importance of cultivating good values
- Moral and non-moral values
- Sense of duty, Punctuality, Positive Thinking Patriotism
- Personality and behavior and development
- Universal brotherhood and religious tolerance
- Honesty, humanity, power of faith, national unity
- Character and competence
- Self Management & Good health

One Day Workshop on “Role of Technical Institutions to Adapt the National Education Policy – 2020”

A one day Workshop on “Role of Technical Institutions to Adapt the National Education Policy – 2020” held on 30-01-2021. Faculty members from Constituent and Affiliated Colleges of JNTUH. A total of 161 participants registered from Telangana, Andhra Pradesh, Tamil Nadu, Kerala, Maharashtra, Uttar Pradesh and Gujarat attended the programme.

Dr. G.K. Viswanadh, Professor of Civil Engineering & Director, UGC-HRDC, JNTUH, addressed the participants in the Inaugural

- Reforms in Teaching Learning in Higher Education Institutions
- 2. How the Universities/ Institutions are to be revamped in accordance with the National Education Policy-2020 (NEP-2020)
- Teacher training for Orientation towards NEP and preparedness Higher Education post NEP-2020 Role of Technology in Education

January 2021..

One Week Online Short Term Course on “Value Education”

Coordinator:

Dr. V. Parvathi

Professor, Dept. of English, JNTUH CEH

One Day Workshop on “Role of Technical Institutions to Adapt the National Education Policy – 2020”

Coordinators:

Dr. A. Govardhan

Professor of CSE & Rector, JNTUH

Dr. M. Manzoor Hussain
Professor of Mech. Engg. & Registrar, JNTUH

Dr. G.K. Viswanadh
Professor of Civil Engg., & Director, UGC-HRDC, JNTUH

February 2021..

**One Day Workshop on
“National Institutional
Ranking Framework (NIRF)
for Higher Educational
Institutions”**

Coordinators:

Dr. A. Govardhan,
Professor of CSE & Rector,
JNTUH

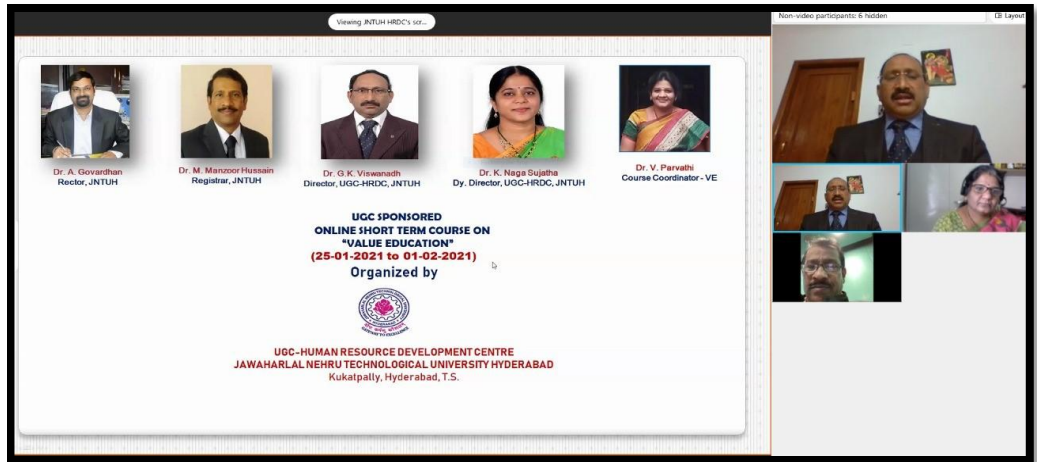

Dr. M. Manzoor Hussain
Professor of Mech. Engg. &
Registrar, JNTUH

Dr. G.K. Viswanadh
Professor of Civil Engg., &
Director, UGC-HRDC, JNTUH

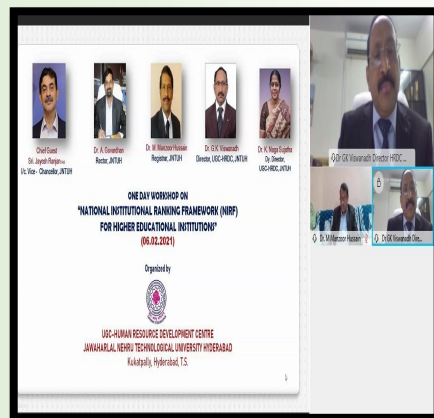

UGC-Human Resource Development Centre, JNTUH

Dr. G.K. Viswanadh, Professor of Civil Engineering & Director, UGC-HRDC, JNTUH,
addressed the participants in the Inaugural

**One Day Workshop on “National
Institutional Ranking Framework
(NIRF) for Higher Educational
Institutions”**

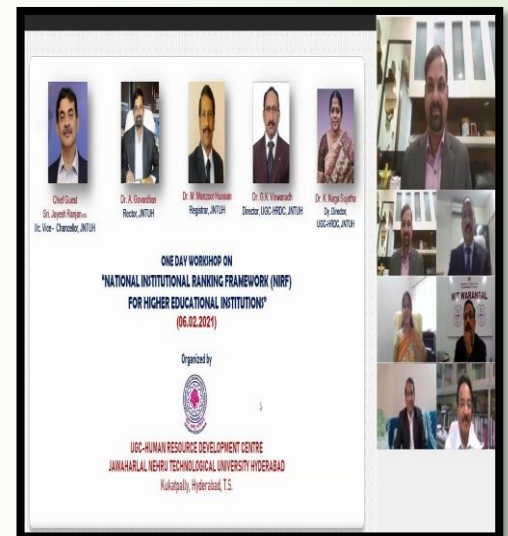

A one day Workshop on “National Institutional Ranking Framework (NIRF) for Higher Educational Institutions” held on 06-02-2021. Faculty members from Constituent Colleges/Units of JNTUH. A total of 232 participants registered from the states of Telangana, Andhra Pradesh, Maharashtra, Odisha, Gujarath, Karnataka, Kerala and Jammu and Kashmir attended the programme.

Dr. G.K. Viswanadh, Professor of Civil Engineering & Director, UGC-HRDC, JNTUH,
addressed the participants in the Inaugural

Main contents of the programme:

- Introduction to NIRF and its Benefits
- Methodology and metrics of the ranking framework
- Parameters for ranking Universities and Institutions
- Quality Enhancement Strategies for better ranking
- SWOC analysis of the Institutions

**Address by Dr. A. Govardhan
Professor of CSE & Rector, JNTUH
in Valedictory Session**

Online “Faculty Induction Programme-4”

Online “Faculty Induction Programme-4” was held from 10-02-2021 to 19-03-2021. Faculty from all branches of Engineering, Sciences, Arts, Commerce & Management. A total of 40 participants registered from the states of Telangana, West Bengal, Maharashtra, Gujarat, Rajasthan, Assam, Odisha, Tamil Nadu, Karnataka, Uttar Pradesh, Bihar and Jammu and Kashmir attended the programme.

Prof. V. Venkata Ramana, Vice Chairman, TSCHE, addressed the participants in the Inaugural

Higher Education and its Ecosystem Curriculum Designing, Outcome based

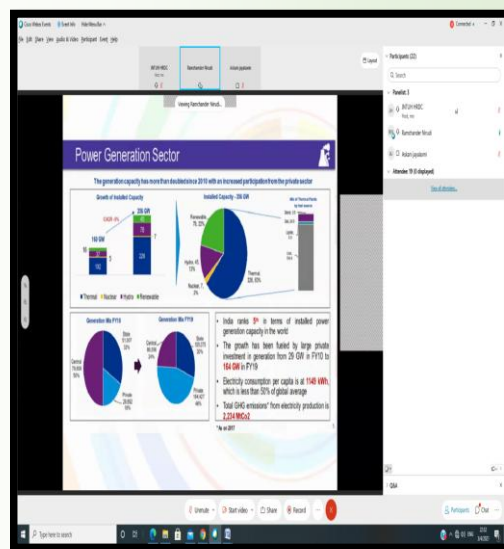

- learning and Choice Based Credit System Teaching, Learning and Assessment
- Technology for Teaching and Assessment of I-generation Personal-Emotional Development and
- Counseling Research Professional Development
- Academic Leadership Academic Integrity
- Constitutional Values, Human Rights and Fundamental Duties

Two-week Online Refresher Course on “Power Systems”

A two-week online Refresher Course on “Power Systems” was held from (01-03-2021 to 16-03-2021). The faculty members from the department of Electrical and Electronics Engineering, working in Universities and Colleges. A total of 21 participants registered from the states of Telangana, Maharashtra, Andhra Pradesh and West Bengal attended the programme.

Major Course Contents:

- Hydroelectric Power Stations
- Thermal Power Stations
- Nuclear Power Stations
- Overview of Non-Conventional Energy Sources
- Solar Energy
- Wind Energy
- Different types of Energy Sources like Ocean, Tidal and Wave Energy
- Economics of Generations
- DC & AC Distribution Systems Overhead Line Insulators and Insulated Cables
- Calculation of Inductance and Capacitance of Transmission Lines

Session delivered by Dr. K. Ruth Nischala Director, Majesty Institute of English Studies, Hyderabad

Online “Faculty Induction Programme-4”

Coordinators:

Dr. G.K. Viswanadh

Professor of Civil Engg., & Director, UGC-HRDC, JNTUH

Two-week Online Refresher Course on “Power Systems”

Coordinator:

Dr. A. Jayalaxmi

Professor of EEE & Coordinator, GIAN JNTUH College of Engineering Hyderabad Hyderabad

March 2021..

Two-week Online Refresher Course on “Novel Therapeutic approaches in Drug Discovery & Development against Pandemic Diseases”

Coordinator:

Dr. M. Ajitha

Professor & Head Centre for
Pharmaceutical Sciences IST,
JNTUH, Hyderabad

UGC-Human Resource Development Centre, JNTUH

Two-week Online Refresher Courses on “Power Systems”, “Systems and Signal Processing” and “Novel Therapeutic approaches in Drug Discovery & Development against Pandemic Diseases” Courses Inaugural

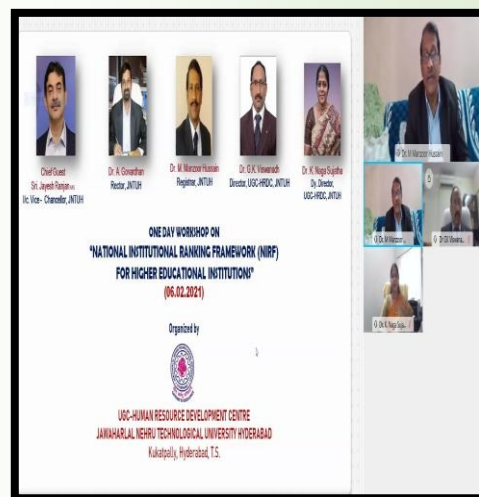

Two-week Online Refresher Course on “Novel Therapeutic approaches in Drug Discovery & Development against Pandemic Diseases”

Two-week online Refresher Course on “Novel Therapeutic approaches in Drug Discovery & Development against Pandemic Diseases” from 01-03-2021 to 16-03-2021. The faculty members from the departments of Pharmacy, Chemistry, Biotechnology, Nanotechnology, Life Sciences and related disciplines, working in Universities and Colleges. A total of 40 participants registered from the different states of Telangana, Andhra Pradesh, Maharashtra, Utharakhand, Uttar Pradesh, Karnataka, Tamil Nadu, Gujarat and Jammu and Kashmir attended the programme.

Major Course Contents: Pharmaceutical Chemistry:

- Pharmaceutical Technology

- Medicinal Chemistry
- Analytical Chemistry
- Pharmaceutics and
- Pharmacology
- Biotechnology and
- Nanotechnology

Dr. M. Manzoor Hussain
Professor of Mechanical Engineering & Registrar, JNTUH, addressed the Participants in the Inaugural

Two-week Online Refresher Course on “Systems and Signal Processing”

Two-week online Refresher Course on “Systems and Signal Processing” was held from 01-03-2021 to 16-03-2021. The faculty members from the department of E.C.E., and related disciplines, working in Universities and Colleges. The total of 28 participants registered from the states of Telangana, Tamil Nadu, Uttar Pradesh and Karnataka attended the programme.

Dr. A. Govardhan, Rector, JNTUH, addressed the participants in the Valedictory Session

- Major Course Contents:
- Concepts of Signals and their analogy with Vectors
- System Classification and Analysis
- Introduction and properties of Fourier series
- Introduction and properties of Fourier transform, Laplace transform, ROC and waveform synthesis
- Practical aspects of Sampling and Matlab simulation
- Discrete Time Signals and Z-Transform and ROC
- Random Variable and operations on Random variables
- Random Processes – Spectral
- Temporal Characteristics
- Analysis of System Response
- Realization of structures

One Week Online Short Term Course on “Machine Learning”

A one week online Short Term Course on “Machine Learning” was held from 15-03-2021 to 20-03-2021. The faculty members from the departments of CSE, IT and related disciplines working in Universities and Colleges. The registered participants 27 from the different states of Telangana, Andhra Pradesh and Haryana attended the programme.

Dr. G.K. Viswanadh, Professor of Civil Engineering & Director, UGC-HRDC, JNTUH, addressed the participants in the Valedictory Session

Major Course Contents:

- Machine Learning – Types of Learning
- Decision tree learning
- Bayesian learning
- Instance based Learning
- Analytical learning
- Genetic algorithms
- Reinforcement learning
- Neural Networks – Deep learning Introduction

Event Organized in February 2021..

Two-week Online Refresher Course on “Systems and Signal Processing”

Coordinator:
Dr. K. Anitha Sheela
Professor & Head Dept. of ECE,
JNTUH CEH Kukatpally,
Hyderabad.

One Week Online Short Term Course on “Machine Learning”

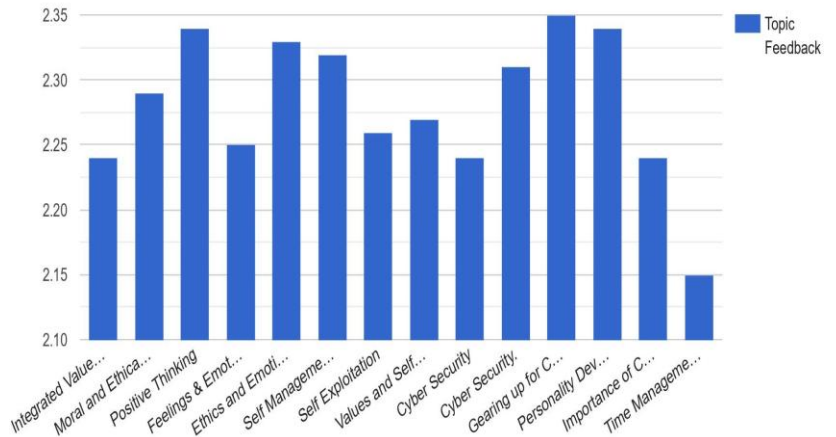

Coordinator:
Dr. K.P. Supreethi
Professor, Dept. of CSE JNTUH
College of Engineering
Hyderabad Kukatpally,
Hyderabad, T.S.

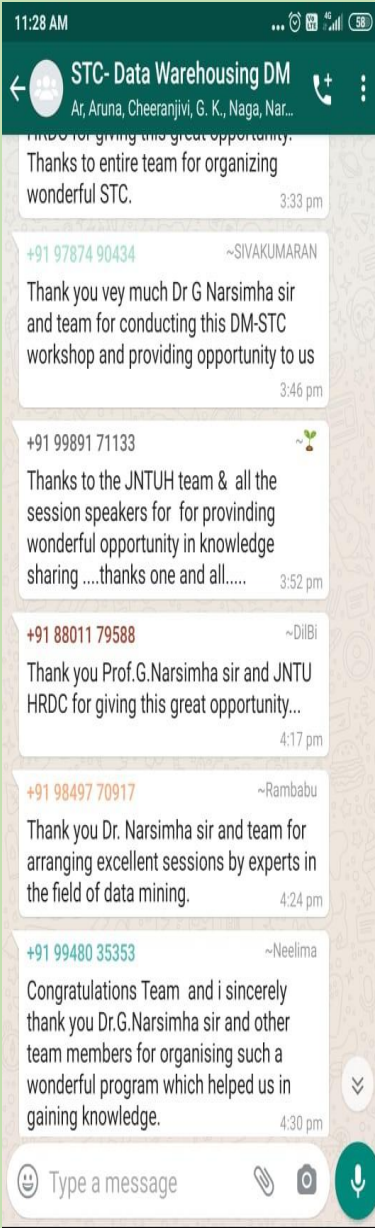

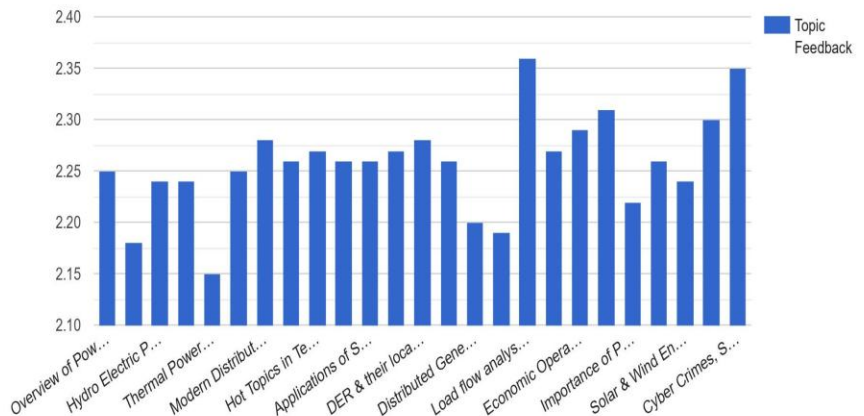

ONLINE FEEDBACK

To analyse individual responses and to assess the training conducted for the participants, this academic year HRDC introduced online feedback system to adopt more innovative training methods for overall development and knowledge upgradation of the faculty.

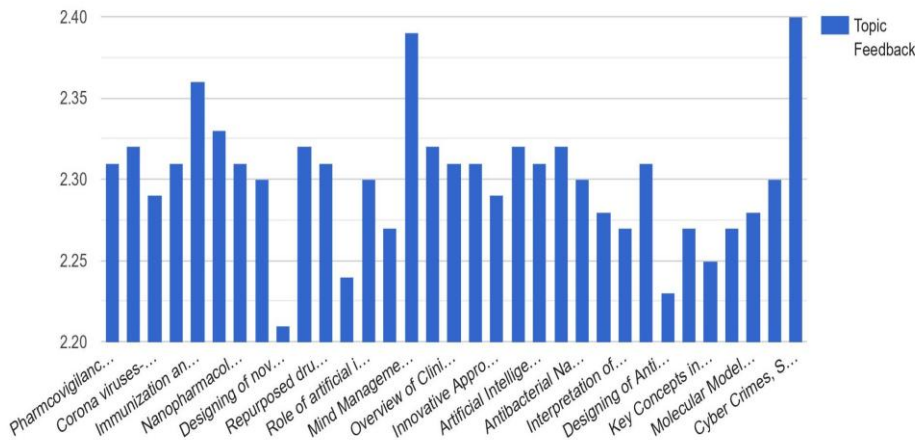

The Session-wise feedback of Online Short Term Course on "Value Education"

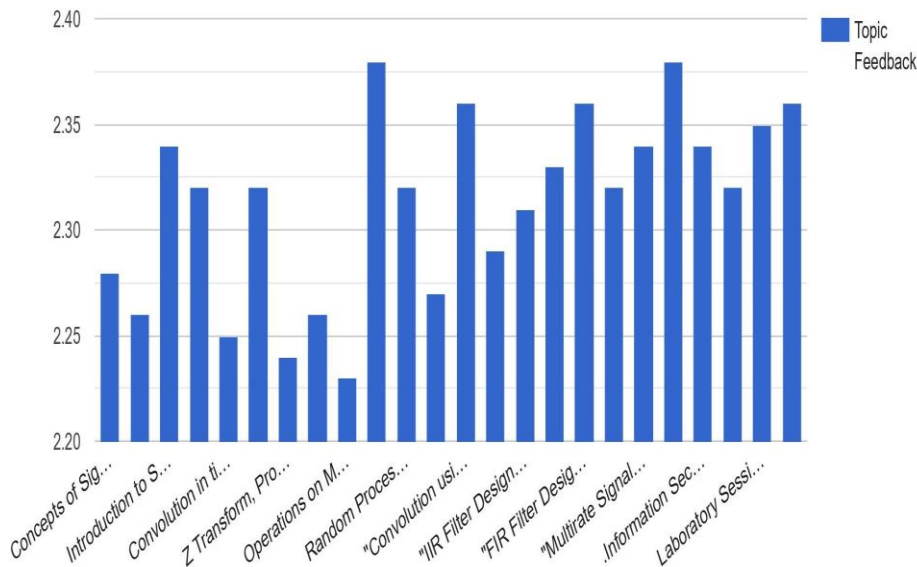

The Session-wise feedback Two-week Online Refresher Course on "Power Systems"

The Session-wise feedback of Two-week Online Refresher Course on "Novel Therapeutic Approaches in Drug Discovery & Development against Pandemic Diseases"

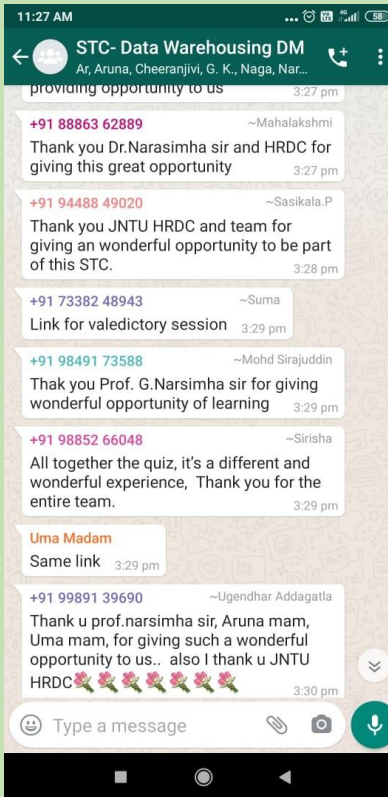

The Session-wise feedback Two-week Online Refresher Course on "Systems and Signal Processing"

Participants Feedback

Testimonials...

UGC-Human Resource Development Centre, JNTUH

Feedback from the participants who have attended the Courses at HRDC, JNTUH:

All the participants of Online One Week Short Term Course, I thank all the organizers for conducting the wonderful session on all the six days. The workshop covered everything from introduction of DWDM, hands on session of Python programming by implementing the algorithms of supervised, unsupervised with the larger datasets and also insights were given on the performance metrics with a case study and finally.

Dr. M Trupthi

Assistant Professor, Dept. of Information Technology
Chaitanya Bharathi Institute Of Technology (A), Gandipet, Hyderabad, T.S
Participant of online RC- "Data Warehousing & Data Mining"

Respected Director Sir

On behalf of all the participants of online two week Refresher Course, Dear UGC-HRDC organisers ..thankyou for accepting my to join Refresher Course on "Systems & Signal Processing", Special thanks for Dr. Anitha Sheela Mam designing a wonderful schedule many topics covered. Congratulations and thanks to the coordinator for successfully organising the programme.

B.Bindu Bhavani

Assistant Professor, Electronics & Communications Engineering,
Sphoorthy Engineering College, Nadargul, Hyderabad, T.S.

Respected Director Sir

Congradulations to the whole team of JNTUH, for conducting two weeks Refresher Course very effectively efficiently, thanks to all members of the team for ur amazing sessions, lectures guidance, kudos to all!!!!

Participants Feedback

The Research methodologies session by Dr. Govardhan sir was excellent and it really made me to stop and think about where I'm going and how I am using my daily time for research and his inputs has created an aura of research environment. sir session will definitely help me to enhance my personal growth in research.

The exam was also quite exciting and interesting to answer the questions.

I convey my special regards to Dr. Narsimha sir for letting us know about the program and encouraged us to join the sessions.

Finally I would like to thank Aruna maam and the jntuHRDC team for the quick response of all the queries and made the program to move a head smoothly.
