University Industry Interaction Centre (UIIC)

Director's Message

Greetings from University Industry Interaction Centre, JNTUH!!

University Industry Interaction Centre is committed to enhance the employability and develop the skill set through University Industry Interaction and continuous training. Nowaday, competition is getting tougher day by day and get into the best career path is quite challenging. Success is more likely when students make decisions about what they are to learn in a well-informed manner.UIIC, JNTUH focuses in imparting training to the students for taking upcareer in their chosen field.UIIC offers soft skills training, remedial coaching, language lab, bridge courses, personal counselingand provides necessary awareness, knowledge and skill required for their career. UIIC also aims to encourage the students for general reading, general observation and thinking power for reasoning and courage for facing various examinations. UIIC organizes workshops on Aptitude and Reasoning for all students. UIIC aims on building the career readiness of students. UIIC conducts various programs to foster meaningful engagement among students, alumni and industry and develops strong relationships with employers, alumni, faculty and other university stakeholders. UIIC aims on building the career readiness of students. The University conducts various programs to foster meaningful engagement among students, alumni and industry and develops strong relationships with employers, alumni, faculty and other university stakeholders.

About UIIC

The Economic Development of a country primarily depends on the synchronized efforts of both the Industry and the University because the Industry drives the Economic Development and the University fuels it. In order to facilitate such synchronized efforts of Industry and the University, JNTUH has instituted a dedicated dais called University Industry Interaction Centre (UIIC)in the year, 2009. JNTU Hyderabad has been a pioneer in promoting industry-academia interaction and the scope of the activities has been steadily growing. JNTUH-UIIC strives to systematize and catalyse the various joint activities between the Industry and the University. Industry interactions relating to Engineering and Technology, Basic and Applied Sciences, Pharmacy and Management come under University Industry Interaction Centre.The main focus of UIICis to bridge the gap between Institute & Industry. UIIC conducts several training programs to improve the job-readiness of the students and increase their employability. This directorate carries forward the interaction of university with the industrial bodies of Public, Private and Government sector organizations and also handles campus placement activities for all constituent units and colleges.

Vision

Strive to excel as the best interaction centre in the University system by promoting collaboration between the University and the Industry for imparting quality education and employability skills.

Mission

Our mission is to act as a catalyst for promoting collaboration amongst academicians, scientists, and industrialists to achieve competitiveness in developing the technical man-power for socio-economic development under the present scenario of global competition and challenges.

Objectives:

- To help the Industry to hire the right talent from its students' community at the right time.
- To facilitate the students' internships, academic projects, training programs and placements to the students by the Industries and other employers.
- To facilitate the Training, Research and Consultancy projects by the Industries to the faculty of JNTUH.
- To organise industry collaborative programs as seminars, workshops, industry visits etc. for the Students and Faculty.
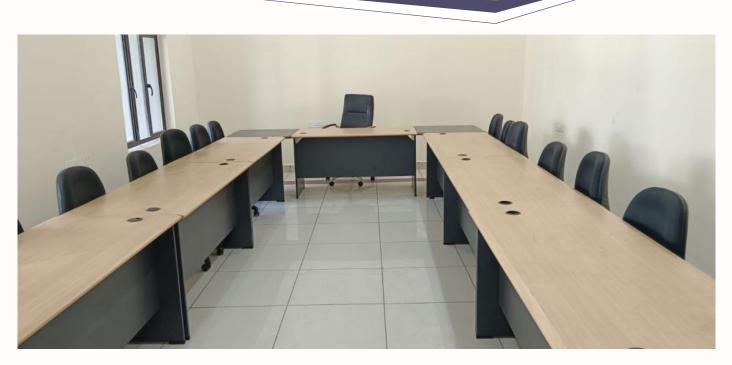

Functions /Responsibilities of the UIIC:

➢ Industry Collaborative Activities to the students &faculty

➢ Career Guidance & Training to the students

➢ Placements to the students

Facilities available in UIIC, JNTUH

University Industry Interaction Centre has a computer lab with 30 systems and MATLAB Software to conduct industry oriented training programs. UIIC also has a Conference room to facilitate meetings and discussion with industry experts and HRs.

Computer Lab with 30 systems

Conference Hall

Activities organized by UIIC, JNTUH:

University Industry Interaction Centre has organized Seminars, Workshops, Symposiums, Job Fairs, Career Guidance Programs and Training Programs in the endeavour of promoting employability skills in students of JNTUH.

Seminars

1. A Seminar on 'Career opportunities in Core Engineering'has been organized on 29thSeptember, 2018 in association with M/s T.I.M.E, Hyderabad. 350 students have participated in this program.

2. A Seminar on 'Career opportunities in Clinical Trials' for Chemistry & Pharmacy students has been organized on 15th December, 2018. 150 students have participated in this program.

3. A Seminar on "Higher Education opportunities in USA" for Engineering students has been organized on 17 August, 2019 in association with M/s Manhattan Review, Hyderabad. 350 students have participated in this program.

4. A Seminar on 'Career opportunities and GATE orientation'for Engineering students at TKR College of Engineering and Technology, Meerpet, Rangareddy District on 2nd November,2018. 300 students have participated in this program.

5. A Seminar on 'Career opportunities and GATE orientation'for Engineering students at Sreyas Institute of Engineering and Technology,Nagole, Rangareddy District on 02 November,2018. 350 students have participated in this program.

6. A Seminar on 'Career opportunities and GATE orientation' for Engineering students at S R Engineering College, Warangal District on 21 January,2019.300 students have participated in this program.

7. A Seminar on 'Career opportunities and GATE orientation' for Engineering students at TallaPadmavathi College of Engineering, Warangal District on 23 January,2019. 250 students have participated in this program.

8. A Seminar on 'Data analytics & Artificial Intelligence' has been organized on 10th August,2018 for Engineeringstudents of JNTUH. 250 students have participated in this program.

Online Training program

1.   A 7- Day Online Training program on Machine Learning , Data Science & Business Analytics for Engineering students has been organized from 29th May to 4th June, 2019. 200 students have participated in this program.

Workshops

1.   A 3 day workshop on 'Soft skills for Employability of Engineering Students' at NallaMalla Reddy Engineering College, Narapally, Medchal Dist. from 01-03 November,2018.   250 students have participated in this program.

2. A 3 day workshop on 'Soft skills for Employability of Engineering Students'at Marri Laxman Reddy Institute of Technology and Management, Dhulapally, Medchal Dist. from 01-03 November, 2018.250 students have participated in this program.

3. A 3 day workshop on 'Soft skills for Employability of Engineering Students'at SreeChaitanya Institute of Technological Sciences, Karimnagar District from 27-29,December,2018. 200 students have participated in this program.

4. A 3 day workshop on 'Soft skills for Employability of Engineering Students'at KommuriPratap Reddy Institute of Technology, Medchal District from 29 -31 January,2019. 250 students have participated in this program.

5. A 3 day workshop on 'Soft skills for Employability of Engineering Students'at Sphoorthy Engineering College, Rangareddy District from 29 -31 January,2019. 350 students have participated in this program.

6. A 3 day workshop on 'Soft skills for Employability of Engineering Students'at Holy Mary Institute of Technology & Science, Medchal Dist. from 26 -28 February,2019. 200 students have participated in this program.

7. A 3 day workshop on 'Soft skills for Employability of Engineering Students'at Indur Institute of Engineering & Technology, Siddipet Dist. from 26 -28 February,2019. 200 students have participated in this program.

8. A 3 day workshop on 'Soft skills for Employability of Engineering Students'at JNTUH College of Engineering Manthani, Peddapalli Dist. from 6-8 March,2019. 200 students have participated in this program.

9. A 3 day workshop on 'Soft skills for Employability of Engineering Students'at VignanaBharathi Institute of Technology,MedchalDist.from 6-8 March,2019. 250 students have participated in this program.

10. A 3 day workshop on 'Soft skills for Employability of Engineering Students'at Jagruti Institute of Engineering and Technology, Ranga Reddy Dist from 12-14 March,2019. 200 students have participated in this program.

11. A 3-day workshop on 'Soft skills for Employability of Engineering Students'at Vaagdevi Engineering College, Warangal Urban Dist. from 12-14 March,2019. 300 students have participated in this program.

12. A one-day workshop on "Realizing Objectives with Project Management Skills" has been organizedin association with Project Management Institute, Hyderabad on 5th January, 2019.

13. A 2-day workshop on "MATLAB Software applications" for Engineering Faculty in association with M/s Capri Cot Technologies during18 - 19 June, 2019. 25 faculties from various colleges have participated in this program.

14. A Workshop on Connect Engineers to MEP Industry for Engineering Faculty on 15th September, 2018 in association with M/s Dhanush Engineering Services. 30 faculties from various colleges have participated in this program.

15. A 3-day workshop on "Analog IC Design- Hands on Practice using Cadence Design Flow" in association with M/s Corel Technologies during 22-24 April,2019.25 faculties from various colleges have participated in this program.

Symposium

A Symposium on "Career opportunities for Civil Engineering Graduates' in association with M/s National Academy of Construction, Hyderabad on 19th November, 2018. 100 students have participated in this program.

Off-Campus Drive

1. IBM Off-Campus drive for Engineering Graduateshas been organized (18[th]November &20th December,2018).About 3000 unemployed Engineering Graduates have attended the drive and about 260 placements were offered.

2. Pool Campus Recruitment Drive in association with GVK BIO has been organized on 30 January,2019. An exclusive placement drive for M.Pharmacy and M.Sc Chemistry students was organized, where in 120 placements were offered.

Job Fairs/Melas

1. Mega Job Mela on 7-8 July, 2018:

A Mega Job Mela was organized by the University Industry Interaction Centre (UIIC),JNTUH at JNTUH Campus, Hyderabad during 07 & 08 July,2018. About 30 Companies viz., TECH MAHINDRA, GENPACT, AMAZON, RED MI Smart Phones, VESPA, ROYAL ENFIELD , AXIS SECURITIES, ICICI BANK, KARVY etc., with Job openings in IT, Engineering, Management, Auto Mobile, Banking and Service sectors etc., have participated. About 8000 unemployed Engineering & other degree holders have participated in the Job Mela where in 1200 Placements were offered.

2. Mega Job Mela on 23rd February, 2019

A Mega Job Mela was organised on 23rd February, 2019. About 35 Companies viz., TECH MAHINDRA, ENTHSQUARE TECHNOLOGIES, YANNIC TECHSYSTEMS, BUILDING BLOCKS, BAJAJ CAPITAL, GENPACT, AMAZON, Conneqt, AXIS SECURITIES, ICICI BANK, KARVY etc., with Job openings in IT, Engineering, Management, Auto Mobile, Banking and Service sectors etc., have participated. About 3000 unemployed Engineering & other degree holders have participated in the Job Mela. About 650 Placements were offered

3. MEP Mega Job Fair for unemployed Graduates on 1st June, 2019

A Mega MEP Job Mela was organized on 1 June, 2019. About 60 Companies with Job openings in Mechanical, Electrical, Civil Engineering, MBA and ITI etc., have participated. About 4000 unemployed Engineering & other degree holders have participated in the Job Fair. About 450 Placements were offered.

Placement Activities:

During the academic year 2018-19, about 475 students have been selected for paid internships in various companies viz., Wipro, Mathworks, Honeywell, Merilytics, Value Labs, etc. out of which 285 are from JNTUH UCEH and remaining are from other JNTUH University Colleges of Engineering. In on-campus placements, the numberof students placed during this academic year from the University is about 608 in 135 various companies viz., Wipro Turbo, TCS, Pega Systems, Accenture, Cyient etc. out of which the number of students selected from JNTUH UCEH are 414, 140 from JNTUH UCEJ, 40 from JNTUH UCES and 14 students from JNTUH UCEM. The highest CTC is 14 LPA with an average of 5.3 LPA.
