

University Industry Interaction Centre (UIIC)

Director's Message

Greetings from University Industry Interaction Centre, JNTUH!!

University Industry Interaction Centre is committed to enhance the employability and develop the skill set through University Industry Interaction and continuous training. Nowadays, competition is getting tougher day by day and get into the best career path is quite challenging. Success is more likely when students make decisions about what they are to learn in a well-informed manner. UIIC, JNTUH focuses in imparting training to the students for taking up career in their chosen field. UIIC offers soft skills training, remedial coaching, language lab, bridge courses, personal counseling and provides necessary awareness, knowledge and skill required for their career. UIIC also aims to encourage the students for general reading, general observation and thinking power for reasoning and courage for facing various examinations. UIIC organizes workshops on Aptitude and Reasoning for all students. UIIC aims on building the career readiness of students. UIIC conducts various programs to foster meaningful engagement among students, alumni and industry and develops strong relationships with employers, alumni, faculty and other university stakeholders. UIIC aims on building the career readiness of students. The University conducts various programs to foster meaningful engagement among students, alumni and industry and develops strong relationships with employers, alumni, faculty and other university stakeholders.

About UIIC

The Economic Development of a country primarily depends on the synchronized efforts of both the Industry and the University because the Industry drives the Economic Development and the University fuels it. In order to facilitate such synchronized efforts of Industry and the University, JNTUH has instituted a dedicated dais called University Industry Interaction Centre (UIIC) in the year, 2009. JNTU Hyderabad has been a pioneer in promoting industry-academia interaction and the scope of the activities has been steadily growing. JNTUH-UIIC strives to systematize and catalyse the various joint activities between the Industry and the University. Industry interactions relating to Engineering and Technology, Basic and Applied Sciences, Pharmacy and Management come under University Industry Interaction Centre. The main focus of UIIC is to bridge the gap between Institute & Industry. UIIC conducts several training programs to improve the job-readiness of the students and increase their employability. This directorate carries forward the interaction of university with the industrial bodies of Public, Private and Government sector organizations and also handles campus placement activities for all constituent units and colleges.

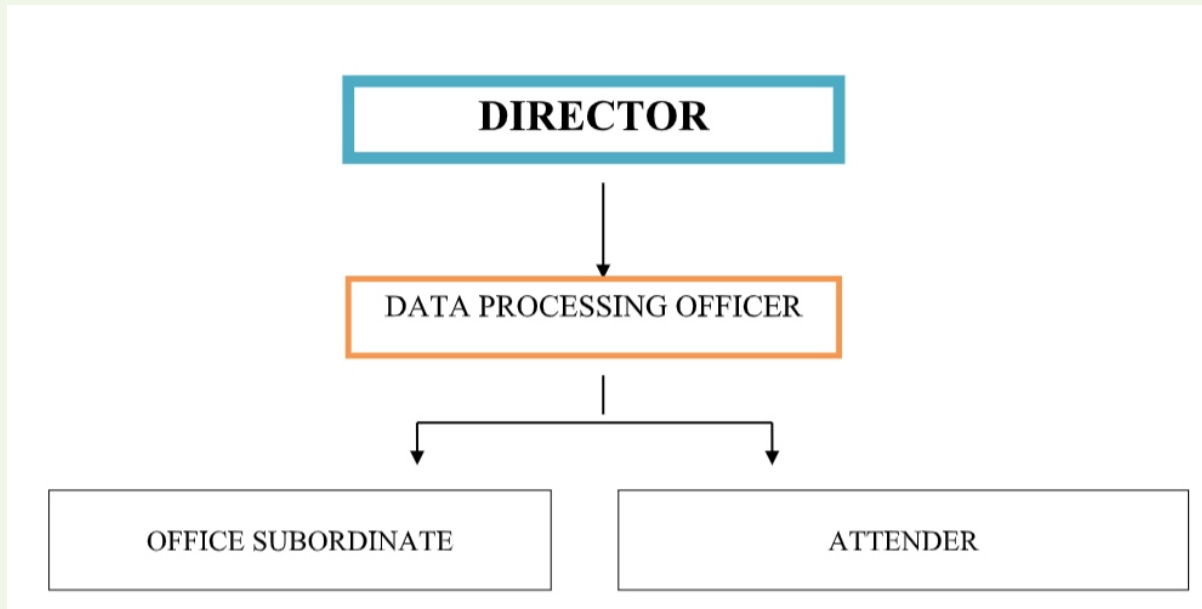

Vision

Strive to excel as the best interaction centre in the University system by promoting collaboration between the University and the Industry for imparting quality education and employability skills.

Mission

Our mission is to act as a catalyst for promoting collaboration amongst academicians, scientists, and industrialists to achieve competitiveness in developing the technical man-power for socio-economic development under the present scenario of global competition and challenges.

UIIC Structure

Objectives:

- To help the Industry to hire the right talent from its students' community at the right time.
- To facilitate the students' internships, academic projects, training programs and placements to the students by the Industries and other employers.
- To facilitate the Training, Research and Consultancy projects by the Industries to the faculty of JNTUH.
- To organise industry collaborative programs as seminars, workshops, industry visits etc. for the Students and Faculty.

Functions /Responsibilities of the UIIC:

- Industry Collaborative Activities to the students & faculty
- Career Guidance & Training to the students
- Placements to the students

Facilities available in UIIC, JNTUH

University Industry Interaction Centre has a computer lab with 30 systems and MATLAB Software to conduct industry oriented training programs. UIIC also has a Conference room to facilitate meetings and discussion with industry experts and HRs.

Computer Lab with 30 systems

Conference Hall

Activities organized by UIIC, JNTUH:

University Industry Interaction Centre has organized exhibition, motivation drives, seminars, workshops, career guidance programs and training programs in the endeavour of promoting employability skills in students of JNTUH.

Exhibition

1. An Exhibition cum Motivation Drive for Career opportunities in Indian Air Force has been organized on 17th January, 2017. More than 1000 students and faculty visited the stalls displayed in the Exhibition.

Seminars

1. A seminar on “Career Opportunities in Banking, Finance & IT Sectors” for the Engineering & MBA Students has been conducted on 23rd January, 2017 in association with ICICI DIRECT. 250 students have participated in this program.
2. A Seminar on “Higher Education opportunities in USA” for Engineering Students has been organized on 2 August, 2017 in association with US Consulate, Hyderabad. 350 students have participated in this program.
3. A seminar on “Career Opportunities in Core Engineering Sector” for Engineering Students has been on organized on 6th January, 2018. 150 students participated in this program.

Workshops

1. A Three Day workshop on Employability skills for Engineering Students of JNTUHCEJ during 31 March- 2 April 2017. 100 students participated in this program.
2. A Three Day workshop on Employability skills for Engineering Students of JNTUHCEM during 21 – 23 August, 2017. 120 students participated in this program
3. A Three Day workshop on Employability skills for Engineering Students of JNTUHCEJ during 24-26 August, 2017. 150 students participated in this program
4. A Three Day workshop on Employability skills for Engineering Students of JNTUHCES during 29-31 August, 2017. 100 students participated in this program.

Career Guidance Programs

A Program on Career Guidance & Employability Skills, Telangana Yuva Nirmaan-2017 has been organized on 30th December, 2017, in Collaboration with Telanagna IT Association. 800 students from different colleges have participated in this program.

2. A 6-day training program on Employability Skills has been organized for final year students of all branches of Engineering at JNTUHCEM, Manthani during 12-17, February, 2018. 200 students participated in this program.
3. A 6-day training program on Employability Skills has been organized for final year students of all branches of Engineering at JNTUHCES, Sulthanpur during 19-24, February, 2018. 200 students participated in this program.
4. A 6-day training program on Employability Skills has been organized for final year students of all branches of Engineering at JNTUHCEJ, Jagtial 05-10, March, 2018. 250 students participated in this program.

Placement Activities:

During the academic year 2017-18, about 550 students have been selected for paid internships in various companies viz., TCS, Microsoft, Honeywell, Tera data, etc. out of which 365 are from JNTUH UCEH and remaining are from other JNTUH University Colleges of Engineering. In on-campus placements, the number of students placed during this academic year from the University are about 1123 in 145 various companies viz., Wipro Turbo, Accenture, Berger paints, Cyient, IBM, ICS, Infosys, ITC Limited, etc. out of which the number of students selected from JNTUH UCEH are 865, 184 from JNTUH UCEJ, 59 from JNTUH UCES and 15 students from JNTUH UCEM. The highest CTC is 13 LPA with an average of 5.1 LPA.
