

JNTUH explores collaboration with IITH

HANS NEWS SERVICE
HYDERABAD

IAWAHARLIA, Nehru Technological University, Hyderabad (INTUH) Vice-Chancellor Prof. Balakrishna Reddy, and Registrar Mr. Venkateswara Rao visited the Indian Institute of Technology, Hyderabad (IITH) to explore strengthening their academic and research collaboration between the two Higher Educational Institutions (HEIs). On behalf of the INTUH V-C and Registrar met the IITH Director, Dr. Badrajit Srivastava. Murthy, discussed the establishment of state-of-the-art laboratories, and explored opportunities for innovation.

opportunities, and promoting the overall development of the university.

Dr. S. Venkateswaran Reddy said that the main objective of these discussions was to strengthen the collaboration between the two prestigious institutions, facilitating joint research, joint academic programmes and student exchange programmes, and the establishment of advanced laboratories. This partnership aims to contribute to national progress in technological innovation and research. The collaboration will create opportunities for both institutions to work jointly on cutting-edge research and innovation, benefitting students and researchers alike. The Vice-Chancellor expressed enthusiasm about this partnership, stating that this collaboration will foster a knowledge-based environment and enhance the academic and research capabilities of both [NITJUH and IIT Hyderabad].

**VC, REGISTRAR OF
JNTUH VISIT IIT-H
FOR COOPERATION**

DC CORRESPONDENT
HYDERABAD, JAN. 13

Jawaharlal Nehru Technological University, Hyderabad (JNTUH) vice-chancellor Prof. Balakrishna Reddy and registrar K. Venkateswara Rao visited IIT-Hyderabad and JNTU Sultanpur to discuss collaborations and campus developments.

At IIT-H they met director Dr.

JNTU-IIT-IITB joint director Dr Budanuru Sri Venkata Murty said discussions were held to strengthen academic and research partnerships. They also explored faculty and student exchange programmes and the establishment of advanced laboratories to drive innovation. This collaboration would improve the academic and research capabilities of both institutions, said Prof Reddy.

Later, both of them visited JNTU Sulliahanpur During the visit, they inspected classrooms, library, research facilities and the dining hall and stressed the importance of maintaining cleanliness and hygiene across the campus.
