ABOUT TEQIP-III

The Project, third phase of Technical Education Quality Improvement Programme (referred to as TEQIP-III) is fully integrated with the Twelfth Five-year Plan objectives for Technical Education as a key component for improving the quality of Engineering Education in existing institutions with a special consideration for Low Income States and Special Category States and support to strengthen few affiliated technical universities to improve their policy, academic and management practices.

RAJASTHAN TECHNICAL UNIVERSITY

Rajasthan Technical University (RTU) is located in Kota in the state of Rajasthan. It was established in 2006 by the Government of Rajasthan. The university currently affiliates about 130 Engineering Colleges, 4 B.Arch., 41 MCA Colleges, 95 MBA Colleges, 44 M. Tech. Colleges and 3 Hotel Management and Catering Institutes. The University aims to provide quality technical education which may help Rajasthan in its technical development and will boost technical environment in the country.

ABOUT JNTU

Jawaharlal Nehru Technological University, Hyderabad was established on 2 October 1972 by the Legislature of the State of Andhra Pradesh as the first-ever Technological University in the country. It has been in the forefront during the last forty four years in providing quality technical education of relevance in the State of Andhra Pradesh. After 37 years of relentless service to the society at large, JNT University was restructured into four different Universities namely JNT University Hyderabad, JNT University Anantapur, JNT University Kakinada and JNTU by the Government of Andhra Pradesh vide Government Order No.13, dated 18 August 2008 and the Act of State Legislature No. 30, dated September 2008. From then, this university was re-designated as Jawaharlal Nehru Technological University Hyderabad (JNTUH), Hyderabad. The jurisdiction of the University is entire Telangana State.

ABOUT ANAND-ICE, JAIPUR

Anand International College of Engineering, approved by AICTE and affiliated to RTU, Kota was established at Jaipur in year 2010. Since its inception, the institute persists its credentials of joyous teaching-learning environs of global standards and offers B. Tech. degree program in five engineering disciplines i.e. Civil Engineering, Computer Science & Engineering, Computer Science & Engineering (AI), Electrical and Mechanical Engineering. The institute nurtures intellectually inspiring Academic Environment at lush-green landscaped campus with state-of-the-art infrastructure.

Anand-ICE has been distinguished for its qualitative teaching-learning processes that place it among the best emerging engineering institutions of India (Times of India). The institute extends strategic partnerships with various renowned foreign universities for exposing students through Abroad Training Program. The institute also encourages the students to incubate their innovative concepts in order to foster new ventures.

OBJECTIVE OF THE WORKSHOP

Make in India initiative in itself is a major initiative to make this great nation self reliant and give us New India. This five day workshop will have a plethora of deep and eye opening insights from the esteemed officials of Corporate and Education Sectors. These value added insights from this workshop will act as a catalyst in making our Initiative of "Skilled India" stronger. With the help of these inputs, we will get a new ray of direction for going ahead and can contribute for enhancing the employability of our youth.

Long time back we realized the importance of alliance of corporate and academics for developing a vibrant career path for our students, hence this workshop will value add towards the importance of collaboration. It also aims in bridging the gap between academics and corporate in Digital Driven Era.

TARGET AUDIENCE

Faculty & Students of various engineering institutes affiliated to Rajasthan Technical University Kota, Bikaner Technical University and other academic Institutes of India.
